His brother doesn't put him in the water bucket next to the door, then pick him up again. Get the paper under the bench left using the stick. Count the number of cherries on the paper in each section: 3, 6, 5. Open the cabinet left by entering the code 365. You must escape 2 Level 14: See the colors on the seat: blue red yellow green. Count the number of bumps in each color in the cabinet: 2, 3, 1, 5. Enter the 2315 code of the stone on the path. Take the tournament. Type the elk top. Use screwdriver to tap the white dots in the right order: top left, right bottom, top right, bottom left. Continue to the next you must escape under 2 levels! The portal leads you to an alternate dimension. The only way to escape is to solve games that allow you to reopen the portal. 1. Half-Circle Puzzle Piece: Pick up a puzzle piece with a half circle drawing next to the door. 2. Pyramid: Go up the second staircase from the left. Grab a pyramid with some kind of instruction. 3. Rock: There is time to grab a stone from the floor. 4. Power Supply: Podium in center protected by an energy field. Interrupt the power of equipment by cutting the conduct with the rock. 5. Podium: Take a look at the center podium. Find a vacancies matching piece of puzzle and half-circle design. Place the puzzle piece. A third staircase will appear. 6. Full-Dry Puzzle Pieces: Go up the staircase on the right side of the portal. You'll see a pyramid. The pyramid is square with brackets and a square. Tap on the square. Get a puzzle piece with full-circle design. Last updated on October 5th, 2020 at 10:05 am you can escape - Tower Level 14 Walkthrough, Solutions, Cheats, Answers for iPhone, iPad, Android, Kindle, Touch iPod and other devices by Kaarel Kirsipuu. What is the solution for you can escape tower level 14? We are trying our best to solve the answer manually and update the response from here, now the best answer we have found for these is: Collect a stone to the left. Use the stone to cut the wire. Now collect a piece of half dry cube next to the door. Set the half dry cube in precedent and the 3rd staircase adj. Remember to collect both half cubic circles from the podium. Now tap the triangle kub on the right. There is a square button on the triangle cube, tap it and collect a dried cube black. Now tap the podium on the left, put both half cubic circles and the black cube by following the answers. A cube cross circle will appear, collecting both cubes back to you again. Now tap the podium in the middle, place both half cubic circles and place the dry cubic cross too. The last staircase will appear after you do. Now check the triangle on the left, understand the suggestions. Tap the podium on the right and play the puzzle. Replying to the picture. The last chunk of cube will appear on the bottom right of the puzzle after passing it. Place the last cubic piece of the podium in the middle and the door is open.
